***Tuesday 8 September 2009***

***Weymouth College, Cranford Avenue, Weymouth,  
Dorset, DT4 7LQ***

The South West UK Brussels Office, together with Dorset County Council and Richard Crowe, 2012 Creative Programmer, have the pleasure to invite you to a one day event on European funding opportunities for supporting activities under the Cultural Olympiad in the South West. The roadshow will focus on two key EU funding programmes supporting cultural activities (Culture 2007-2013), and initiatives led by youth organisations (Youth in Action). The event will also feature sessions on the Comenius programme (financing projects involving schools) and on Territorial Cooperation programmes. The roadshow will include presentations of projects in the South West funded under these programmes. The afternoon will feature two practical workshop sessions, providing an opportunity for interactive discussions with experts and practitioners on the concrete opportunities offered by these funding programmes. Keynote speakers will include representatives from the UK National Contact Points for the Culture, Comenius and Youth in Actions programmes, as well as practitioners from Bristol, Bath and Northeast Somerset, Devon and Dorset.
